

Holy Fire® III Upgrade Class

This class can be taught by those who are Holy Fire® III Reiki Masters. It can be taken only by those who already are Holy Fire® or Holy Fire® II Reiki Masters. It can be taught in approximately 3-4 hours. It will upgrade qualified students to the Holy Fire® III level for either Usui/Holy Fire® Reiki or Holy Fire® Karuna Reiki® Note that the reason William was able to teach this class as a webinar is because he received many sessions with Jesus to upgrade his energy field to be able to do it and therefore had the permission and participation of Jesus when doing the webinars. Because of this, it is important that you present this webinar in person to your students.

Topics

2. Review the philosophy and the important ideas of Holy Fire® Reiki.
