

## *In Loving Memory*

Reiki Master Teacher with  
The International Center for Reiki Training

**Stacy McCormack-Stepp** was positive, optimistic, and simply a joy to be around! She was feisty, forthright, and honest, and at the same time very motherly and nurturing. Stacy was a wife, nurse, and friend.

Stacy was accepted into our LRMT program in December 2020. She was incredibly passionate about sharing Reiki. Her “vision” was to teach Reiki in every Florida hospital and spread it worldwide. Though Stacy was well versed in the art of Reiki, she was always open to learning more. If she wasn’t teaching Reiki, she was learning about Reiki.

Stacy had a deep child-like curiosity. She was like the sun, brightening everything around her. Her faith and trust in life’s process was an inspiration to us all and will leave a lasting impression in our hearts. *Stacy transitioned on 12/18/22.*

*Forever in Our Hearts...*
