

In Loving Memory

Reiki Master Teacher with
The International Center for Reiki Training

Susannah Spanton Horsey was a remarkable woman who lived a life of passion, dedication, and service. Her family was her greatest love. She was a loving mother, wife, sister, aunt, and a cherished “Gram” to her grandchildren.

Susannah joined the LRMT program in February 2013. She created many communities as an ICRT Licensed Reiki Master Teacher, BioEnergy Practitioner, and Drum Circle facilitator. She was an inspiring leader of women’s circles, and an advocate for empowering women. Susannah was a professional trainer and coach at Lakeside Global Institute, helping others to understand the relationship between the brain, body, and trauma.

Susannah will be remembered for her kindness, generosity, her ability to empower others and will live on in the hearts of those she touched and the accomplishments of all who have been changed by her. *Susannah transitioned on 1/20/23.*

Forever in our Hearts
