

Dear Marketing Director,

It is with great pleasure that we send you this current rate card for Reiki News Magazine. I think you will find our magazine an effective place to advertise your service, organization or product(s).

Reiki News Magazine is the best source of information, inspiration and news for Reiki healers and teachers. We honor all schools and lineages and feature articles and stories by the worlds best known and experienced Reiki masters and practitioners. Catering to both the beginner and the seasoned practitioner, we feature the latest information on every aspect of Reiki healing.

Reiki News Magazine is available by subscription and is also in bookstores, including Barnes and Noble and Borders. Our readership is currently in excess of 50,000 based on recent survey results.

Reiki practitioners are health conscious and are often involved in a number of healing or health related practices including massage, yoga, nutrition, Tai Chi, and other spiritual and metaphysical activities. They purchase a wide range of health related products including nutritional supplements, books, CDs, incense, clothing, crystals, jewelry, etc.

Please consider the value our magazine can provide in marketing your products or service. Our rate sheet and advertising requirements information follow in this document. Please contact me if you have questions or would like to place an ad.

Sincerely,

Corey Bippes,
Advertising Manager
