

## LRMT Informational Changes

When an LRMT has any personal changes or changes for their business, we **STRONGLY** suggest that you email [center@reiki.org](mailto:center@reiki.org) with the info. There are many areas other than the website that require this information. The office will make any changes necessary in the different locations.

Changes/updates to your website may affect the links on [www.reiki.org](http://www.reiki.org) to your profile page. There is one link you may change to update the website:

1. Log onto [www.reiki.org](http://www.reiki.org). Go to “My Account”, then to the “Edit” tab.

2. Scroll down to “Website” and edit your link.

### Website

www.reikicare.com

3. Scroll to bottom and click “Save”.

Reminder: Always email [center@reiki.org](mailto:center@reiki.org) with any changes you make so we may update our in-office records also. When making these changes, always log out and view your profile to see what a prospective student will see to verify your changes are correct.
