

Registered Holy Fire® Karuna Reiki® Program

It is not necessary for you to register with the Center. All Karuna students will receive a Karuna Reiki® certificate with seal from their teacher. If you intend to teach, please see below.

The purpose of the Holy Fire® Karuna Reiki® Registration Program is to ensure the integrity and preservation of the Holy Fire® Karuna Reiki® system by requiring that all teachers use a common core curriculum, including identical symbols, ignition procedures and standardized teaching materials grounded in a code of ethics. The intended result is that the value and essence of Holy Fire® Karuna Reiki® remain intact.

There have been other healing systems including Seichem Reiki, Tibetan Reiki and especially Usui Reiki, where over the passage of time substantial changes were made, either deliberately or by accident by many people resulting in a multitude of ways that each of these systems is being taught. Yet, they continue to go by the same names even though in many cases the changes have resulted in a significant alteration of the original energy and value of the system. As a result, the name that is being used for the system does not adequately identify what is being taught.

While The Center acknowledges as a matter of its fundamental principles the value of all Reiki practitioners and schools, The Center also believes there is value in maintaining the integrity of the Holy Fire® Karuna Reiki® system. As a result, shortly after the development and naming of Karuna Reiki® in 1995, The Center trademarked the name “Karuna Reiki” with the United States Trademark Office and have extended this Trademark to many countries around the world. We took this step to protect the name so that it will always represent the same training and the same healing system. Therefore, when you advertise and teach Holy Fire® Karuna Reiki®, people will recognize it as a quality training.

Advertising Holy Fire® Karuna Reiki®

The words, Holy Fire® Karuna Reiki® are a registered trademark. If you advertise Holy Fire® Karuna Reiki® sessions or classes or otherwise use the term Holy Fire® Karuna Reiki® in any printed material such as on business cards or your web site, you are required to use the ® symbol next to the name Holy Fire® Karuna Reiki® in all advertising and indicate that Holy Fire® Karuna Reiki® is a registered trademark of The International Center for Reiki Training.

Registered versus Licensed

The Registered Holy Fire® Karuna Reiki® Program is a different program than our Center Licensing program. If you are taking the Holy Fire® Karuna Reiki® training, there is no further training necessary. If you are taking the Holy Fire® Karuna Reiki® master class, you will be qualified to teach at the end of the class. The Licensing program is more involved and requires at least 1 year of training including taking all the Center classes, reviewing them, co-teaching them with a Center Licensed teacher and more. If you would like to learn more about our Licensing program, please download a free copy of our Reiki Licensing Program Guidelines located in the Advanced Teacher Training Program section of our web site www.reiki.org.
